

THE BOSTON MARATHON COMES TO OCEAN SHORES!

Local homeowner Mike DeYoung has qualified to run in the 2020 Boston Marathon which is being run virtually due to COVID-19. Mike selected Ocean Shores for his run! ***He will start the race at 8:30 AM on Labor Day, September 7, at the Ocean Pours Taproom, 759 Ocean Shores BLVD NW, who is sponsoring him. Mike will run loops totaling 26.2 miles, ending at Ocean Pours.***

Mike proposed a fundraiser for PAWS by having people mail in their predictions for when he crosses the finish line. The cost is \$5 per prediction & you can make multiple predictions. The race finish time will be determined by Mike's watch. The person that comes closest to predicting the race finish will split the raised pot with PAWS! If more than one person guesses the same time, the half pot will be split accordingly.

We are thankful to Mike for raising funds for PAWS in this unique way! Come, cheer Mike on as he runs the course & crosses the finish line! Please wear a mask.

The winner will be announced at the race finish.
